Adoption Date: September 12, 2023

The Grossmont-Cuyamaca Community College District ("District") collects, processes, and stores data about students, personnel, vendors, and others. The District is committed to ensuring the highest level of privacy and security for these data in accordance with state and federal law, Board Policy, and industry best practices. Employees charged with managing data requiring any level of privacy or security will adhere to District information security policy and procedures and will complete corresponding District Information Security Awareness training on a regular basis. The Chancellor shall establish procedures that provide guidelines for the implementation of this policy.
