Subject: Enrollment Priorities AP 5055
Date: Tuesday, February 27, 2024 4:02:06 PM

Dear Colleagues,

Here are the following data points requested at SISC in regards to CCAP students who enroll in additional courses as concurrent students:

	Unique Students	Units
2022FA	73	360
2023SP	129	1,050
2023SU	140	765
2023FA	139	850
2024SP	138	864

The unique students are based on term.

These number are without giving CCAP students priority enrollment. If we keep Middle College students in Group 5, 2497 CCAP students would receive priority enrollment over continuing students with 0-11.5 units (GCCCD degree applicable and GCCCD non-degree applicable) and they would receive the same priority enrollment date as our continuing students with 12 units- 44.5 GCCCD degree applicable units.

Here is the policy for reference.

We will finalize a recommendation for DEC at our April meeting.

Thank you!
Barbara
